Little Flower Catholic School

"The Catholic school finds its true justification in the mission of the Church; it is based on an educational philosophy in which faith, culture and life are brought into harmony."

*(The Religious Dimension of Education in a Catholic School,
Congregation for Catholic Education, 1988, para. 34)*

Preparing your children for college, career and heaven.

GENERAL INFORMATION

History

Little Flower Catholic School opened its doors in 1934, welcoming the first of many generations of students to grace the halls of Little Flower Catholic School. At the time of its opening, three Sisters of St. Joseph, who lived at St. Patrick's convent, staffed the school. The pastor was Father Jimmy Byrnes, remembered fondly by former students and parishioners.

In 1936 a small, one-room building was constructed behind the church to serve as a kindergarten and remained in operation for only three years. In 1944, a new building was constructed which is now referred to as the West Wing. At that time, the convent was on the second floor of the school. The Sisters moved across the street to a newly constructed convent in 1951.

In 1954, ground was broken for an additional building to accommodate the seven hundred thirty-two students enrolled in grades one through eight. The school was staffed with twelve teaching sisters and three lay teachers. Between 1958 and 1965, another kindergarten was started and the Jimmy Byrnes gymnasium was added. The school community consisted of four hundred thirty-two students, one sister-principal, an assistant principal, twenty-two teachers, five cafeteria personnel, a custodian and two maintenance personnel. A pre-school program for three and four-year olds was added in 1987.

Through the years, the spirit of Father Jimmy Brynes has continued through the pastoral leadership of: Most Reverend Joseph Vath, Monsignor David Sullivan, Monsignor Timothy Deasy, Reverend Matthew Sindik, Monsignor Maurice Shields, Reverend Mark Neske, and Reverend David Carruci. The current pastor is Fr. John Lynes. The school has always been an integral part of Little Flower Parish. Historically it has been a parish with a unique spirit, and it remains so today.

Little Flower School has consistently offered quality education to Little Flower parishioners, students from parishes without schools, and non-Catholic students. The faculty includes twelve professionals, including a physical education teacher, a part-time media specialist, two part-time resource/tutors.

The religion program and our Catholic identity are integral parts of the curriculum. The sacramental components involve the school staff, student and family members. First Reconciliation and First Eucharist are celebrated in the second grade.

In 1993 Little Flower Catholic School had the pleasure of being in the forefront of Catholic education and service by hosting the first ACE teachers through the University of Notre Dame. Founded by Rev. Timothy R. Scully, C.S.C., and Rev. Sean McGraw, C.S.C, ACE helps meet the need for talented, well-trained young people to teach in Catholic Schools. The goal is to sustain and strengthen Catholic education, especially in under-resourced schools, by forming a next generation of committed, faith-filled Catholic school teachers. We are proud to have these exceptional teachers be a part of our school community during their two-year commitment.

A science lab was made possible for the year 2000-2001 with another grant from the Bedsole Foundation. The Little Flower Development Committee continues to work to obtain grants and sponsors to benefit the school and to promote the growth of the Little Flower School Endowment Fund established in honor of Fr. Jimmy Byrnes.

In December of 2004, Sr. Mary Joyce Bringer announced her retirement and the Little Flower Catholic School Board began a search for a new principal. In the spring of 2005 the first lay principal, Ms. Clara Brunk, was hired. During the 2014-15 school year Little Flower Catholic School proudly celebrated its 80th year. After 10 years as principal and 40 years of service to education, Ms. Brunk retired. She and Sister Mary Joyce continue to serve Little Flower School and Parish. Ms. Alesa A. Weiskopf, after 24 years as teacher in the school, served as principal of the school until June of 2023. In July of 2023, Mrs. Debbie Ollis, began serving as the principal.

Books and Supplies

In order to minimize the cost of books to your family, books are rented. The amount is included in your fees payment. All books will be rented by your family and must be replaced if lost or damaged. Please have your child cover all hardback books to help protect them. Library books are your child’s responsibility while signed out in his/her name and must be paid for if lost or damaged. Please help your child be an Engaged Learner by making sure he/she has all the supplies needed throughout the year. **If a library book has not been returned, the student will not be allowed to check out another book until that one is returned or paid for. Report cards may be held as well as participation in field trips and other extracurricular activities.**

Curriculum

The Archdiocesan Catholic Schools follow the State of Alabama Course of Studies as a minimum foundation for its grade level academic skills. The Catholic faith is the foundation upon which every aspect of our curriculum is built. The teachings of Jesus are at the heart of our curriculum. It is our faith in Him that guides our efforts to meet the academic, physical, emotional and spiritual needs of our children while meeting and exceeding all requirements of the State of Alabama and the Office of Catholic Schools.

The academic program embodies the curriculum areas of Religion, Mathematics, Language Arts, Science, Social Studies and Fine Arts. The course of study for grades K-8 meets all the requirements of the Archdiocese of Mobile Office of Catholic Schools and the

Alabama State Department of Education. The textbooks used by the students are from a recommended list issued by the Archdiocese of Mobile.

Homework

Homework is assigned to reinforce skills taught in the classroom, to check for understanding, to teach study habits and time management, and to develop critical thinking. It is impossible to set strict time limits on the amount of homework given because individual differences cause students to vary in ability. In general, a child should spend ten minutes a night for each year in school. For instance, a second grader can expect twenty minutes per night, a third grader thirty minutes, and so on, exclusive of preparation for tests and long-term activities such as reports or projects. If a child, working steadily, cannot complete the routinely assigned work in a reasonable amount of time, the teacher should be contacted. Since children are expected to complete all assignments, failure to do so may alter the student's grade. **Participation in sports and other activities should not interfere with homework or a child's performance in school. Your child's first responsibility is to be a student and to participate fully in all aspects of his/her school experiences.**

Types of homework assignments include, but are not limited to:

- ✓ Completing unfinished classroom assignments
- ✓ Additional practice to strengthen new skills introduced in class
- ✓ Researching long-term or short-term projects
- ✓ Extended classroom reading
- ✓ Study materials for a test
- ✓ Other assignments as specified by the teacher

Assignments, except for homework, will be lowered one letter grade for each day the assignment is late. After three days, the child will receive a zero. At the teacher's discretion assignments may be turned in after the third day. Teachers may require students to redo an assignment if it is not submitted in a satisfactory manner. Homework is to be done the night it is assigned unless the teacher gives prior permission for it not to be completed.

Honor Roll Requirements

- There is an "A" Honor Roll and an "A/B" Honor Roll.
- To qualify for the "A" Honor Roll a student must have all "A's" and no "I's" and no "U's" on conduct
- To qualify for the "A/B" Honor Roll a student must have all "A's/B's", no "I's" and no "U's" on conduct.
- To qualify for Improvement Award a student must maintain previous grades and go up at least one letter grade in an academic subject.

Make-Up Work

Your child is responsible for obtaining make-up work from teachers upon returning to school after an absence. He/she will be allowed the same number of days as absent to make-up work. In the case of an unexcused absence, the faculty is not expected to make the same effort to help the student with make-up work as would be expected in cases of excused absences.

Suspension from school is considered an unexcused absence.

Parent Plus Portal

Parent Plus Portals is an online program for you to keep up with your child's academics and behavior in grades 1 – 8 . It is recommended that you check your child's online grade status at least one time per week. Directions will be provided in August.

Physical Education

The physical education program at Little Flower Catholic School requires active participation from students in grade K-8. The program is based on the State Department of Education Course of Study. The program is designed to meet the safety, health, physical and recreational needs of the students while fostering a Christian attitude toward good sportsmanship. All students must participate and dress out (grades 3-8) in Physical Education unless prohibited by a doctor. A doctor's written recommendation is required and must be on file at school. A parent's written request may excuse a student from P.E. for a short period of time (2 days maximum). Students who are out of P.E. for an extended amount of time may be given alternate assignments for assessment.

Promotion/Retention

In decisions to "Promote or Retain" a student, the following factors must be considered:

1. Current report card grades
 - Retention in Grades 1 and 2 - A yearly average of "F" in Reading, Writing or Math
 - Retention in Grades 3-8: A yearly average of "F" in two core academic areas in grades 1- 8. (Religion, English, Reading, Math, Social Studies and Science)
2. Past academic records, previous grade retention, standardized test scores.
3. Age, emotional development and social skills of student.
4. Present grade placement
5. Present family history: divorce, death, siblings, etc. and parent support
6. Regular attendance
7. Approval of the principal

The possibility of retention will be discussed at the end of recording period (2nd through 4th quarter).

Religious Activities

As a Little Flower student your child is **expected** to participate in each activity that is a part of our school life. We assume that your child's registration in a Catholic school indicates you wish him/her to attain the fullness of a good Christian life. Your child will receive daily instruction in the Faith. Our students prepare for the Sacraments of Reconciliation and First Eucharist in second grade. Our school community celebrates Mass together on a weekly basis. The Sacrament of Reconciliation in the form of a penance service is planned during the seasons of Advent and Lent. During the months of October and May the rosary is said weekly, generally on Monday mornings. During Lent students participate in Stations of the Cross each Friday. It is our wish to create a Catholic environment where Christian values are practiced.

See the Google calendar for dates and times of planned religious and other LFCS events. Link at www.littleflowerschool.cc , School. Parents, School Calendar.

Student Evaluation

Progress reports are given mid-quarter and report cards are issued quarterly. At the end of the first and third quarter you are required to attend a parent/teacher/student conference to pick up your child's report card. This enables you and the teacher to share

the accomplishments and concerns about your child's progress. **Report cards will not be sent home and conferences will not be held if fees and/or tuition are in arrears including After School Care and library fines. At the end of the second quarter parents are notified if student is in jeopardy of failure of grade level.**

Teacher Accessibility/Communication

If you need to see a teacher, please call the school for an appointment. Each teacher also has an email available for parent communication. The teacher will respond and set up an appointment at the earliest possible time. Teachers are **NOT** available to meet during class time. Parents may **NOT** go to the classrooms without permission from the school office.

In order to respect our teachers' and their time with their families, teachers will not respond to parent communications after 7:00 pm; however, teachers will make every effort to respond to emails/phone calls from parents within 24 hours of receiving.

Testing For Special Needs

Some students have special needs while attending our school. Little Flower School personnel may request a parent to have a student tested for a special need. **If this concern is ignored, Little Flower School has the responsibility to notify the parent that the child can no longer be served at our school.**

Title I Tutor

Little Flower Title I Tutors are paid by federal funds and may work only with those students who meet specific requirements including academic and psychometric testing. Students will be pre and post tested. The tutors work closely with the classroom teachers. We have two part time tutor teachers for Grades K-8.

Tutoring

If your child is tutored during the year, the tutor is responsible for contacting the teacher who will advise the tutor of the material which has been covered in class. Tutoring is a process which enables the student to review or strengthen skills. Tutoring is not learning subjects in advance of teaching in the classroom.

Virtues Program – Disciples of Christ

What are the virtues of Christianity? A virtue is the habit of doing good, making it easy and delightful. A virtuous person is free! The Christian virtues give us freedom from being overpowered by temptations and our vices. Everyone is born with a capacity for virtue, but we need education and practice to attain the freedom, harmony, and balance of the virtuous, excellent human being. God gives us the theological virtues of faith, hope, and charity. These virtues adapt our finite human faculties for participation in the divine life, to be in relationship with God. The theological virtues infuse and give life to the four Cardinal virtues. Learn more about the virtues with the interactive virtue tree.

Disciple of Christ, Education in Virtue is more than a curriculum, it's a way of life—the means to a happy life. Education in Virtue provides easy-to-use resources and materials that are developed by the Dominican Sisters of Mary, Mother of the Eucharist and based on St. Thomas Aquinas' teachings on the virtues and gifts of the Holy Spirit. These resources provide a framework that helps all ages understand how to live a more virtuous life. We adopted Disciples of Christ as our yearly theme and parents will be updated throughout the year.

Written Recommendations

Neither administration nor faculty will provide letters of recommendation for students, except in limited cases of college admissions, or for application to enrichment or extra-curricular programs.

ATTENDANCE

Arrival/Dismissal

- ✓ School hours are from 7:45 am to 3:00 pm. **Student supervision is NOT available prior to 7:15 a.m**

Dismissal time is 3:00 p.m. You are asked to pick up your child promptly. If your child has not been picked up by 3:15 p.m there will be a \$1.00 per minute late charge at After School Care. We respect your time as well as our teachers' so please be prompt. Please make sure your child knows who will be picking them up in the afternoon to avoid needless telephone calls from the office.

Attendance Guidelines for grades K through 8 per Archdioceses of Mobile Office of Catholic Schools states for an absence to be excused, the parent/guardian of the student must send a **written note** with the student within two days of the return to school. Students must be present for one-half of the school day to be counted as a day on roll. Early dismissals are discouraged.

Absences

Absences will be excused for:

1. Illness
2. Death in the immediate family
3. Emergency conditions as determined by the principal
4. Out of town trips with prior consent of the principal

Students are allowed up to but **not exceeding 10 excused absences** for the school year.

Should a student exceed a **total of 10 excused/unexcused absences** per school year, the parent/guardian will be contacted by the school to determine the reasons for the additional absences. Should it be determined that the additional absences are due to extenuating circumstances, the principal may make exceptions to the 10 allowed absences.

Should a student exceed a **total of 15 excused/unexcused absences** per school year, a mandatory conference must be held between the parent/guardian and an administrative team, as determined by the principal.

Should a student exceed a **total of 20 excused/unexcused absences** per one school year, the local truancy authorities may be contacted. The school administration will follow the recommendations of the truancy authorities.

Students who are absent or suspended are not allowed to participate that day(s) in extracurricular school events including CYO sports.

Early Dismissal/Tardies

If your child needs to leave school for an early dismissal due to appointments that cannot be set up at a time outside of school hours, we ask that a note be written ahead of time to the teacher. This will allow your child to be ready when you arrive. Your child needs to be signed out at the secretary's office in order to leave. This is to be done by you or your designee. **Frequent early dismissals are strongly discouraged. Please do not check your child out of school after 2:30 p.m.**

- The school day begins at **7:45 AM**.
- If your child arrives after the **7:45** bell he/she is considered tardy. **After 7:45 am (tardy) parents or designated adult must accompany student to the school front door, (Government Street) to have student temperature screened. Students will not be allowed in class if a parent/guardian does not accompany.**
- **Repeated tardies may result in discipline action.**
- For the safety of the school environment the schoolyard gates are closed at 7:45 AM. If your child arrives at 7:45 AM or later, you are to park at the side of the church, and walk in with your child to the front entrance and sign him/her in at the secretary's office. **PLEASE DO NOT ALLOW STUDENTS TO WALK TO THE FRONT ENTRANCE ALONE.**
- **Every 10 tardy/early dismissals, will convert to one absence.**
- **Tardies that exceed 30 will result in a mandatory conference between the parent/guardian and an administrative team, as determined by the principal. In**
- **addition, the local truancy authorities may be notified.**

DISCIPLINE/CODE OF CONDUCT

Discipline/Code of Conduct Policy

The Discipline/Code of Conduct Policy at Little Flower Catholic School is rooted in its Student Learning Expectations. Students are expected to behave in a manner consistent with the values we hope to instill. Below is a chart of our school SLE's and those Behavioral Expectations. During the first days of school each teacher will facilitate a discussion with their students on what those expectations 'look like,' and post the chart and the student feedback in their classrooms.

Student Learning Expectation (SLE's)	Behavioral Expectation <i>A student....</i>	Some Examples of What It Looks Like <i>A student....</i>
Active Christians	Is considerate and courteous to others at all times.	<ul style="list-style-type: none"> ✓ Respects others ✓ Respects other's property ✓ Speaks and acts courteously to one another ✓ Helps one another
	Is reverent and attentive at liturgical events	<ul style="list-style-type: none"> ✓ Maintains silence arriving and leaving church ✓ Genuflects, kneels and prays silently ✓ Is attentive to the Word of God ✓ Participates by reciting prayers and singing ✓ Greets one another during the Sign of Peace
Active Community Builders	Shows respect and tolerance towards others	<ul style="list-style-type: none"> ✓ Is open to listening to ideas/opinions of others without judging
	Demonstrates appropriate behavior and decision- making	<ul style="list-style-type: none"> ✓ Makes the right choices ✓ Takes responsibility for actions ✓ Observes the Ten Commandments
	Observes classroom and school rules	<ul style="list-style-type: none"> ✓ Follows dress code ✓ Doesn't chew gum ✓ Has no personal electronic equipment on campus
Responsible Global Citizens	Shows consideration and responsibility toward God's creation	<ul style="list-style-type: none"> ✓ Respects school property and grounds ✓ Reduces, reuses, recycles ✓ Uses natural resources wisely

The consequences for any action violating the behavior expectation can range from non-verbal cues to recess detention, after-school detention, suspension, and even expulsion. The consequence will always depend upon the severity and frequency of the infraction(s). For example, a student calling another a name might be given a recess detention, but a student bullying another through verbal abuse could be suspended or even expelled. **The principal will ultimately determine any consequence resulting in a student losing instructional time.**

Discipline After School Hours or Off Campus

Any student choosing to display inappropriate behavior that may potentially impact the reputation of Little Flower Catholic School or the Catholic School System, whether during school hours or outside of school hours, whether on the school campus or off, may receive disciplinary consequences for said behavior as determined by school officials.

Discipline Action Guidelines

Classroom teachers (esp. in lower grades) may also set up additional, individual room policies for procedures and consequences for poor behavior choices. These do not supersede the school discipline policy.

When students fail to meet Student Learning Expectations (SLE)'s then the following may occur:

SLE warning checks –Failure to be an Active Christian, Active Community Builder, Engaged Learner or Responsible Global Citizen as outlined above. At 3 SLE checks in any teachers' class in a day or 5 in one week, student will be given Redirection Time.

Lunch Detention – Lunch detention may be earned by minor SLE failures.

Redirection Time (Detention) –Wednesday from 3:00 – 4:00 pm - Students earn a Redirection Time at 3 SLE checks or specifically by Administration. **Failure to report for a detention will subject the child to further discipline as well as the reassignment of the scheduled detention. Sports or other after school activities do not excuse attendance.**

Parent Conference - Students earning three (3) redirections must meet with the Leadership Team with their parent/guardian before returning to class.

Behavioral Contract – A document detailing a student's specific plan for behavioral improvement. It must be signed by student, parent, teacher, and administration. This document is usually created for repeated discipline referrals or detentions.

In-School Suspension - An in-school suspension will result in the child being isolated from classmates, and completion of all class work in the assigned rooms. An in-school suspension counts as a regular suspension.

Out-of-School-suspension – A student suspended out-of-school will not be allowed on campus to take part in any school activities during the suspension period. The number of days of suspension is dependent upon the severity of the incident.

Saturday School – A Saturday School may be used instead of an in-school or out-of-school suspension. Students will be required to report in uniform from 8:00-12:00.

Behavioral Probation - After two suspensions, your child may be placed on a *Behavioral Probation* contract for a set period of time. Failure to comply with *Behavioral Probation* may result in your child being asked to leave Little Flower Catholic School. At the end of the *Behavioral Probation*, a conference will be held with the family, Principal and homeroom teacher. At the end of each academic year, all students on *Behavioral Probation* will be reviewed for admission for the following year.

Expulsion – The removal of a student from Little Flower Catholic School. This decision is made in conjunction with the administrators, pastor, and the Office of Catholic Schools. Appeals may be made in writing by the student’s parent or guardian within 10 days of the action. Appeals may be made **ONLY** if there is new information available. The written statement must include the specific reasons for the appeal.

Accumulation of Behavior Notices – Students with an accumulation of behavior notices and/or suspensions may be excluded from field trips and other extracurricular activities.

Administration – Principal, Leadership Team, designated stand-in, and/or pastor.

Students are expected to conduct themselves as children of God by their words and actions. Students who steal, cheat, or plagiarize regarding academic subjects and/or school procedures, falsify phone calls, notes, forms or other school related documents may be suspended immediately and may face expulsion or further exclusion from activities depending on the outcome of investigations. Students involved with violence of any kind – before, during, or after school on school property, or in an activity that will reflect negatively on the school will be suspended and a parent called for conference before the student may return to school.

Final Appeal

We know that it is not possible to please everyone with the decisions we make regarding the school. We do strive to do what is best for all of our students, and this is not an easy task. We are confident that when you take the time to find out more about any given situation, you will understand our dedication to providing the best opportunities for all of our students to grow spiritually, intellectually, emotionally, and physically. Should you have questions or concerns regarding the discipline or any activity of the school it is advisable to begin with open communication with the **Teacher(s)**. If questions still remain contact the **Principal** and the final appeal the **Pastor**. A final appeal may be made in writing to the pastor only by the student’s parent or guardian and must be written within ten days of the notification of the disciplinary action by the school. Appeals may be made if there is a question of procedure or if substantial new information is available. The written request must include a statement giving the specific reasons for appeal.

In cases where your child threatens the health or safety of Little Flower students or staff, the student is liable for immediate expulsion by the principal.

In the event that a team atmosphere cannot be maintained between home and school the parent/guardian may be asked to withdraw their child/children.

Right to Search

The school is co-tenant of lockers and desks and reserves the right to search them at any time without notice. Bookbags, purses, gym bags, etc. are also subject to search without notice. The school reserves the right to search cell phones that are confiscated due to concern regarding action or behavior.

The school reserves the right to search any and all property on the school campus and at all school related functions in any manner it deems appropriate to ensure a safe environment.

Threats of Violence

Students who make threats either verbally, via social media or physically may be suspended, removed from extra-curricular activities, asked to withdraw or be expelled, as determined by the administration. In addition, local law enforcement may be notified. In some cases, a student may be required to have a threat assessment from a qualified mental health professional. If this occurs, written documentation is required stating that it is safe for the student to return to school.

PARENTAL ROLE

Parents Role, Rights and Responsibilities

A. PARENTS HAVE THE GOD-GIVEN RIGHT TO EDUCATE THEIR CHILDREN:

“Since parents have conferred life on their children, they have a most solemn obligation to educate their offspring. Hence, parents must be acknowledged as the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure. For it revolves on the parents to create a family atmosphere so animated with love and reverence for God and man that a well-rounded personal and social development will be fostered among the children.”

B. CATHOLIC PARENTS SHOULD SUPPORT AND COOPERATE WITH CATHOLIC SCHOOLS WHEREVER AND WHENEVER POSSIBLE:

- Parents should weigh seriously their obligation to raise their children in an atmosphere of love and respect for God and man. The home is the source of education in the virtues essential to any meaningful culture. Respect for human dignity, prayer, and acknowledgements of authority are essential for Christian citizenship.
- Parents should train their children to incorporate worship through family prayer, family participation in the Eucharistic celebration of the parish, and reception of the sacraments.

C. THE SCHOOL HAS THE RIGHT TO EXPECT THAT ALL PARENTS WILL:

- Send their child to school physically fit by taking care that he/she has sufficient sleep, is healthy, clean and properly dressed, and is provided with a well-balanced diet.
- Assist the child in his/her academic development by cooperating with the school’s scholastic program, by participating in parent-teacher conferences, which shall occasionally include the child, by discussing the progress reports at home with the child, by aiding with homework when help is needed, by providing the proper atmosphere for study, and by cooperating with the school in matters of activities, recreation, and discipline.

Parent Cooperation

It is an expectation of enrollment in Little Flower Catholic School that the parents/guardians of students shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, rumor driven, disruptive, threatening, hostile, or divisive. **It is not acceptable to post negative comments about our school and/or its employees on social media. These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).**

These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (after school care, athletics, field trips, etc.) The school and the parents are partners in the education of their children. If, in the

opinion of the school administration, that partnership is no longer viable, the school reserves the right to require the parent to withdraw the student from the school.

Working as a team, supportive parents and dedicated teachers can provide a strong, spiritual and educational program which will lead to success in the school program and in life.

Confidentiality of Records

Little Flower Catholic School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding the confidentiality and access to student records. Records of students transferring to other schools will only be sent through the US Mail. No records will be given to parents to transport to the new school.

Students requesting records/transcripts must make a 2 school-day request to the School Office. **No records will be sent to transferring schools of students whose financial commitment is in arrears.**

Neither administration nor faculty will provide letters of recommendation for students who apply to other schools; this does not apply to college admission letters. Letters of recommendation, with the approval of administration, can be provided for students who are applying for enrichment or extra-curricular programs.

Parent Communication

Communication between the home and school is **vital**. Conferences are encouraged as a means of helping a child to do his/her best. Your child's academic growth is of the utmost importance to Little Flower Catholic School.

Folders with tests and other individual teacher and school communications are sent home on Wednesday and expected to be signed and returned the next day. Additional communication is sent Parent Plus Portal and Facebook to provide better communication between home and school.

Parent-Teacher Conferences

A schedule of parent/teacher conferences will be arranged twice annually. It is expected that teachers communicate with parents/guardians as often as necessary during the year. Parents **may not** conference with teachers when he/she is responsible for a

- A parent has been persistent and overtly uncooperative with school staff.
- A parent has regularly failed or refused to comply with school policies and regulations.
- A parent has caused school personnel undue aggravation, annoyance, or distress.
- A parent has interfered in matters of school administration or discipline to the detriment of the school's ability to serve the needs of the student.

SCHOOL POLICIES AND PROCEDURES

Harassment-Bullying Policy

Little Flower Catholic School Bullying Policy

Respect for the dignity and worth of each individual is a basic tenet of the Catholic faith. Little Flower Catholic School is dedicated to the Christian principle that all people are created in the image of God and therefore must be treated with dignity and respect. It is the policy of Little Flower Catholic School to provide all students a learning environment and all employees a workplace that is free from all forms of bullying.

Little Flower Catholic School will not tolerate behavior that infringes on the safety of any student or staff member. A student, staff member, teacher, parent, volunteer, coach or substitute teacher shall not intimidate or harass another person through words or actions.

This policy prohibits any unwelcome physical, social, electronic, sexual, verbal or written conduct from one person/persons towards another person. Violation of this policy will be cause for disciplinary action.

Bullying, harassment, or intimidation means intentional unwanted, aggressive behavior with an imbalance of power, it may include verbal, physical, written or electronic conduct/communication that is **repeated**.

Bullying may include but not be limited to physical (hitting, pushing, shoving), verbal (teasing, threatening, coercing, calling derogatory names, sharing derogatory videos/photos, in person, through written form, or through social media), or relational (spreading rumors, or ostracizing) behaviors.

Reporting Breach of Policy

Students, teachers and parents have the duty to report any bullying to the school administration immediately. If a student experiences, or parent or other student witnesses any incident of bullying, the incident must be promptly reported to the school administrator. The administration will provide the student/parent with the Bullying Report Form, which must be completed, dated, and signed by the reporting party in order to assist the school in its investigation.

Report forms will be retained at school until the students involved leave the school.

Bully Reporting Form is Appendix A of this handbook.

Disciplinary Action

Any student found to have violated this policy will be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counselling, parent conference, suspension, expulsion and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based upon the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate disciplinary action.

Education

In order to ensure that a safe, healthy, caring, respectful learning environment exists for all students in Little Flower Catholic School, educating students, teachers, and parents about the policy must take place annually. Therefore, Little Flower Catholic School will file an annual Bully Education Plan with the Department of Catholic Education by September 15 of each school year. The plan will include educational components for students, teachers and parents.

Candy, Drinks, Food, Toys, etc. Policy

The phone should be dropped off in the school office, labelled, and claimed from the office at the end of the school day. **However, if the student does NOT turn in the phone on his/her own, the phone will be confiscated, labelled, and kept in the school office until claimed by a parent. Should a second occasion or subsequent occasions occur; a \$10.00 fee will be required before it is returned.**

If your child is found making a call, texting, receiving or sending text messages or photos during the day regardless who is contacting the student, discipline actions may take place in addition to phone confiscation. The school reserves the right to search cell phones that are confiscated due to concern regarding action or behavior. Parents should not contact their student via cell phone during the school day.

Children and Adolescents Protection Program – CAPP

The Office of Protection for Minors and Adults within the Archdiocese of Mobile, requires all volunteers who have substantial contact with minors must have a completed background check before being assigned to a volunteer position. In addition, all volunteers who have substantial contact with minors must complete the initial Child and Adolescents Protection Program (CAPP) training and the annual on-line retraining thereafter. ALL volunteers, room mothers, coaches, and parents who wish to accompany classes on field trips must be trained in this policy. Classes are offered at the school at the beginning of the school year. They are also held monthly at Saint Dominic Catholic School.

Communication with Minors Policy, per Archdiocese of Mobile

All who serve the mission of the Catholic Church within the ministries of the Archdiocese of Mobile must comply with this “Policy for Electronic Communication with Minors” and with the “Child Protection Policy” issued by the Archdiocese. In case of conflict between the two policies, the “Child Protection Policy” shall govern. As dictated in the Child Protection Policy, a minor is an individual who is 18 years of age or younger.

This policy covers all forms of electronic communication, including but not limited to: social media platforms, blogs, websites, phones and related devices, e--mail, texting, video conferencing and/or streaming, etc.

When communicating electronically with minors:

- The pastor, principal or supervisor (in non--parish or school entities) must approve of all methods of communication utilized for communication with minors. The primary purpose of any approved platform is for providing information and communication related to a ministry or event and not for socialization or other personal interaction.
- Parents must be notified of all methods of communication that are used in each particular ministry and must be granted access to participate in such communications.
- When communicating in mass, another adult within the ministry must be included in the recipient list. The originator and the other adult cannot be related.
- No one-on-one communication between an adult and a minor can take place. In the case where a minor contacts an adult and a response is necessary, the adult must include another unrelated adult within the ministry on the response.
- Acceptable delivery time span for all forms of electronic communication is 6:30am to 9pm. Communication outside of these acceptable delivery hours may be used only in emergency situations *or* to communicate time--sensitive information related to the ministry or event.
- Avoid any communication which might be construed as having sexual overtones. Do not reply to any such communication received from minors; notify your pastor/principal/supervisor immediately, make and keep a copy of the inappropriate communication, and share the copy of the inappropriate communication with your supervisor within 24 hours.
- Communication from minors which conveys the potential of harm to themselves or others can be attended to immediately, regardless of the hour. Notify your pastor/principal/supervisor immediately. Counselling is not appropriate for electronic communication.

Policies specific to platform types:

Via Social Media and other web--based platforms:

- All interactions must be through ministry accounts, never personal accounts.
- Accounts must be monitored by at least two adults of the organization, one of which must be an employee of the parish, school, ministry or archdiocese. Names of sites used, usernames and passwords/codes for access to the site must be given to the pastor, principal or supervisor and/or their designate.
- Identifying information and/or photo or video depiction of minors web-based platforms may only be used with parental permission.
- Age guidelines established by the web--based platform must be followed.
- Platforms which allow content to “disappear” are not permitted.
- Care must be exercised when utilizing platforms which allow for streaming video in real time, with respect to privacy issues and possible conflicts with Catholic belief and values.
- Via phones and related devices:
 - Parents of students 8th grade and younger must give prior written permission for their children to be included in group ministry communication.

In regards to *personal* social media accounts:

- If an employee, cleric or volunteer identifies himself/herself with a ministry of the Archdiocese, the following must be reasonably prominent:

“The views expressed on this website are mine alone and do not necessarily reflect the views of the Archdiocese of Mobile and all its entities.”
- Any information that causes embarrassment to the Archdiocese and all its entities must be avoided.
- Archdiocesan, parish and school trademarks or logos may not be used as personally identifying features.
- Employees or volunteers of the Archdiocese and its entities may not initiate or respond to personal social media requests involving minors where no relationship outside of the ministry had been previously established.

IN CASE OF DISTANCE LEARNING

Addendum to the Policy for Electronic Communication with Minors for Distance Learning

Catholic School teachers, faculty and staff will follow the Archdiocese of Mobile' Children and Adolescent Protection Program (CAPP) when interacting with students during any distance learning session. The Archdiocese's Electronic Communication with Minors will also be followed. In addition, the following guidelines are added for distance learning options.

- During the closure of schools, faculty and staff are still prohibited from meeting students in their homes or meeting with students in private places such as restaurants, etc.
- Communication portals, platforms, etc. for communicating with students must be approved by the principal while also following the Communication Policy.
- When using Zoom, Google Classroom, or similar online learning platforms, the link to each live classroom session must be shared with a school administrator, principal, assistant principal, department chair or other designated staff member named by the principal. When possible, another member of the school staff should attend live sessions. Taping of sessions should be used, when possible. Parents are to be informed that their child may be part of a recorded session.
- Chats can only take place between the instructor/moderator and all the students so that all those attending the session can view the chat dialogue.
- One-on-one on-line tutoring, school counselor session, or resource teacher instruction sessions need to take place through the school's approved communication platform. The link to each live session must be shared with a school administrator, principal, assistant principal, department chair or other designated school staff member.
- One-on-one on-line sessions must be arranged with the parent. Ideally the parent should be contacted at the beginning and at the end of the session. The parent must be in the home at the time of the on-line session.
- Teachers and students alike should be dressed appropriately and modestly for any virtual learning session.
- Mandatory reporting rules for sexual abuse, physical abuse, emotional abuse or neglect remain in effect.

Communication

Little Flower staff and administration always welcomes talking with you and your child. If at any time you need information or feel there is a problem, you are encouraged to first contact your child's teacher or other school personnel to communicate your concerns or views. If you do not believe your concerns have been heard, you should talk to the principal. The principal will listen and try to help you in every way possible.

Regular communications are sent home to each family. If you do not receive these please let us know so we might remedy the problem. It is important that you read the emails and newsletters.

- Weekly newsletters are sent via email and are posted on the Rediker on Mondays
- Messages are sent via phone using messaging system
- Weekly folders are sent home by EVERY homeroom teacher, each Wednesday.
- Please check the "Reader Board" on the school gym for updates and announcements.
- Additional communication is via Rediker/Parent Plus Portals and Facebook to provide better communication between home and school.

Drug Policy per Archdiocese of Mobile

It is strictly forbidden for any student to use, distribute or possess drugs, including alcohol, tobacco, marijuana, narcotics, inhalants, hallucinogens, opiates, controlled substances, paraphernalia or any material represented to be an imitation of alcohol, tobacco, marijuana, narcotics, inhalants, hallucinogens, opiates, or controlled substances on school premises, in a school owned vehicle, or

during any school-sponsored function. In addition, the possession, use or distribution of electronic cigarettes, vapor or other substitute forms of cigarettes is also prohibited on school premises, in a school owned vehicle or during any school-sponsored function. Any student found to be under the influence or in possession of said drugs will be subject to disciplinary action.

Electronic Devices

Smart watches and other non-school electronic devices are not to be worn or used during the school day. It is advised that these devices be left at home. If an electronic device of any kind is brought to school, it must remain turned off and inside the child's backpack. Little Flower Catholic School is not responsible for lost, stolen or damaged electronic devices that are brought on campus.

Recording of interactions in the classroom without permission of the principal or teacher is not allowed.

Emergency Procedures

We have an approved emergency plan in place.

- In case of emergency (tornado, hurricane, etc.) your child will not be sent home unless it is phoned out by Rediker (an automated system that sends you message via phones and/or emails) or so noted on the radio and/or television.
- Do not come to the school to pick up your child until instructed to do so. Your presence could interfere with the response of emergency personnel.
- Emergency drills including Active Shooter Drills will be conducted periodically. Parents will be notified when active shooter drills take place prior to the event.

Field Trip Policies

- Field trips are a privilege. They are opportunities to expand your child's knowledge.
- Your child must show that he/she can behave at school before he/she is allowed to attend a field trip. If your child has acquired a number of behavior notices due to misbehaviour, our Discipline/Code of Conduct says he/she can be excluded from the field trip.
- As a school, we are responsible for the conduct of a student during school hours. For your child's safety and the safety of all concerned, only those who behave at school will be allowed to go on field trips. We appreciate it when you volunteer to drive for field trips. If your vehicle is used for field trips you must have the appropriate car insurance and a form on file.
Drivers must stop at only predetermined locations set by the coordinating teacher(s).
- If you remain with the group during the field trip, you may be asked to assist in supervising students.
- Your child must be properly restrained according to state guidelines.
- **You are required to have completed the initial/follow-up Child and Adolescent Protection Program (CAPP) training during the current year, to be eligible to volunteer on a field trip. This training must be completed at least one week prior to the fieldtrip.**
- Students may not be allowed to participate in field trips if there is unpaid tuition, fees, after school care fees, and/or library fees

Fund Raising

We try to limit fund raising; however, it is necessary to maintain a strong program and minimize tuition raises. It is the responsibility of each parent to participate as fully as possible in all fundraisers. Every child who attends this school is subsidized by Little Flower Church parishioners. With your help and the help of every other family we will do wonderful things.

Illness

- Please, do not send your child to school if he/she is sick in the morning.
- If your child is running a fever, he/she should not return until he/she has been fever free **for 1 day**.
- When a student is ill, please call by 8:30 a.m. to inform the school that the student will not be attending due to illness. **It will still be necessary for you to send a written excuse when your child returns to school or it will be documented as unexcused.**
- If your child is ill and you wish to receive schoolwork for them, call and make the request early in the morning to give the teacher time to gather the items.

Immunizations

All students enrolled in the Archdiocese of Mobile's PreK – 12 Catholic schools, daycare centers and Mother's Day Out programs will be required to be immunized. Students must supply the school with evidence of immunization from the Alabama Department of Health. Immunizations must be current with age requirements.

Medication

If your child is to receive any type of medication at school, the following guidelines must be followed:

- All medication (prescribed medication as well as Tylenol/aspirin) **MUST be brought to the School Office** in its original container or in a clearly marked container with a medical form from the doctor with the student's name and dosage clearly printed on the bottle.
- Students are never allowed to keep their own medication (including inhalers, ointments for rashes, cough drops.) All medications must be kept in the school office in a container labeled with the student's name and accompanied by written permission from the parent. This note must give information on dosage and time(s) medication is to be taken. This includes over the counter medications.
- A copy of Medication Authorization Form is available at the office. This must be updated as needed and refilled with any changes in the student's need or condition.
- Children must be able to self-medicate in the presence of the secretary or designated person.
- Sharing or giving medications to another student is unlawful and dangerous. Parents of students sharing medications will be called immediately and the student may be suspended until the situation is resolved with the concerned parties.

The principal of the school where the violation occurred shall determine whether the student shall be expelled or suspended. Suspension from the school where the violation occurred may last to the end of the current school year. In the cases where there are substantial mitigating circumstances, the principal may reduce the term of suspension upon consultation with the Superintendent.

The steps and procedures used when the Weapons Policy of the Archdiocese of Mobile is violated, shall include, but are not limited to the following:

- Immediately notify the Superintendent.
- Contact Parents.
